STEP 3: NEW YOU TUBE EMBEDDED VIDEO (YOU TUBE EMBEDDED VIDEO)

STYLES

- border width: -none
- border type: solid
- border color: [color picker]
- background color: [color picker]

Element Name: New You Tube Embedded Video
This is only used for your reference and not shown on the Professional Presentation

Select and copy the **YouTube ID** from the email you received

Paste **your** YouTube ID into the "YouTube Video ID" field

Remember to scroll to the bottom of your HireWire Professional Presentation to **"SAVE & CLOSE."**

Please find below the YouTube ID for the video that you created during our recent HireWire session.

You can access and view the video <http://youtu.be/u4iNRA244> **To view your HireWire YouTube video click the http:... link**

And HireWire requires that you use the video ID in order to upload the video to HireWire
YouTube ID = u4iNRA244

This ID can be simply copied and pasted, above, and pasted into the field in the Video element in your HireWire account. If you need specific step-by-step instructions, please refer to the Tutorial that is located at the bottom of the "Candidate Log In" page and located at the following link: <https://stacknology.com/it...%2007%20140204%20alles%20rev%2007.pdf>

If you have any questions, please feel free to respond to this email or call the HireWire support team at 855-HIREWIRE.

To add your HireWire YouTube video select the YouTube ID and copy
